**Walking in Wisdom; Wisdom for Parents**  
**Proverbs 2 / James 1:22-25**

**August 13, 2017**

**Pastor Joel Bubna**

Raising children is something that has been part of being human from the beginning. After thousands of generations we should have it figured out.

The book of Proverbs is about attaining wisdom and the place that it is learned is in the home. It is passed from parents to children. It is the most precious thing parents can give to their children.

One of the themes most talked about in the Proverbs is raising children.

**I. Who's responsibility is this? Proverbs 1:8**

*"Listen, my son, to your father's instruction  
and do not forsake your mother's teaching."* Proverbs 1:8

**II. What is the goal in raising children? Proverbs 2:1-8 / Proverbs 4:23**

*"Above all else, guard your heart,  
for everything you do flows from it."* Proverbs 4:23

**III. How do parents pass on Wisdom?**

- It requires authenticity
- It requires both parents
- It requires authority
- It requires discipline

**IV. Wisdom Requires Discipline. Proverbs 13:24, 19:18, 23:13, 29:15**

*"Discipline your children, for in that there is hope; do not be a  
willing party to their death."* Proverbs 19:18
